**Aerospace News** – Indonesia-based Lion Air has firmed up its record-setting aircraft order with Boeing. The carrier plans to spend a reported \$22.4 billion for 201 Boeing 737 MAXs and 29 737-900ERs. It has also acquired the rights to buy an additional 150 737s. The scope of the deal makes it Boeing's largest ever ... Sikorsky Global Helicopters has sold 16 S-92 long-range, medium-lift helicopters to British helicopter operator Bond Aviation, the biggest order for the helicopters since they came to market in 2004. General Electric has announced plans to launch a program called "Hiring Our Heroes," which will hire 5,000 veterans over the next five years. The top four helicopter manufacturers have set their sights on Asia as a growing market. Boeing Co., Sikorsky Aircraft, Eurocopter and Bell Helicopter are marketing to Asia, which could order \$10 billion in helicopters over the next three years. "Asia has the ingredients to grow into one of the largest markets worldwide," said Christophe Nurit, a Sikorsky regional vice president ... Northrop Grumman plans to lay off 224 employees - some at its operations at Fort George G. Meade in Maryland - starting in April, according to the state's labor department. The cuts are the result of the company losing a Department of Defense contract after the work was put up for bids. Most of the employees are expected to be rehired by the new contract holder, the company said ... Lockheed Martin plans its inaugural test launch of the NASA Orion spacecraft in late 2013. The manufacturer will increase hiring at its Kennedy Space Center facility in Florida, NASA officials say. Lockheed employs 150 employees at the space center, but could boost hiring to up to 400 employees by the end of 2013.

**Contract Employment Weekly** (ISSN 1063-9268) ©Copyright 2012 C.E. Publications, Inc. Published and airmailed every Wednesday. Most job openings are for short or long term contract (temporary) assignments. There should never be a fee to apply for or accept any of the jobs published in *C.E. Weekly*. Direct (captive) positions advertised must meet the following criteria: (1) be for a position with the advertiser's client (unless it is for recruiting related staff); and (2) must be identified as "direct." If you wish to apply for any position advertised, send a copy of your current resume to the advertising firm, not to *Contract Employment Weekly* or C.E. Publications. *C.E. # Online Resume Database

Subscribers can upload, edit, and view their resumes in our online database. Both text and formatted resumes can be stored, as well as an Online Profile. Your resume is then available to *ContractJobHunter* and *C.E. Weekly* advertisers, along with the most recent 10 weeks' Hot Sheets. Contract staffing firms' recruiters can search resumes by keyword(s), location, or entry date and instantly view, print or download them. **Remember to keep your online resume(s) current.**

There are several methods that subscribers can use to enter their resume into the online database:

1. Upload your Word / WordPerfect resume at our website. (no charge)
2. Enter your text resume at our website. (no charge)
3. Send us your resume(s) on DOS formatted disk; text file and/or Word/WP format (no charge). Note: if you submit only a formatted resume, we will create a text file from that. The text resume is the only one searchable by recruiters.
4. Email your resume(s) to: staff@cjhunter.com (no charge)
5. Submit a scannable resume to us (\$5 per page)
6. C.E. inputs 1-2 job updates to your existing online resume (\$10)
