CE Services

EZJOBS is a service that allows members to store job discipline keywords on our website. Our computer does a daily search of all newly posted jobs using your keywords. Every day, we email all new job matches to you.

Four steps to **EZJOBS**:

1. Go to our website (cjhunter.com) and click on "EZjobs Setup". You will be prompted for your User ID and Password.
2. Check the box to "receive email notification of new jobs."
3. If your email address is listed with us, it will appear in the second paragraph. If your email address does not appear, or has changed, click on the Email Address Change form. Add your current email address on the form and click the "Submit" button. Then click on the "EZjobs Setup" button to return to the form.
4. Enter the keywords (company and location are optional). Click on the "Search" button.

That's all there is to it. Every day a job is posted on our database, that matches your search keywords, you will be notified of that listing by email. Thus, the name **EZJOBS!**

Daily Resume Distribution

When members upload a new resume into our online database, they can choose to have us email it to all current advertisers. Recruiters select to receive all new resumes, submit keywords to receive only selected resumes, or receive no resumes at all. Each time you update your resume, you can once again choose to have us email your resume.

The default is set to not distribute the resume; only members who check the box for distribution will have their resume emailed.
