SUBSCRIBER SERVICES

Hot Sheet of Available Contractors:

For unemployed subscribers (or those with layoff notices). We email your name, address, phone, email address, a link to your online resume, and job classification(s) to our advertising contract staffing firms.

Online Profile:

Every day, recruiters perform hundreds of searches of our resume database, usually locating multiple resumes that match their keyword search. Often subscribers have certain requirements that do not generally appear on their resumes. For example: Are you currently available, or are you working now and won't be available for a couple of months? ... What is the minimum rate you will accept? ... etc. Your personal profile allows you to make that information available to recruiters. It is critical that you keep your profile very current ... especially the status of your availability. This service is only as effective for you as the effort you devote to it.

My JobTracker:

Track your saved jobs and any follow-ups you've made to recruiters. All records in one place for your job searches, responses, and notes about the assignment. Our latest subscriber service ... and one of the most valuable!

EZjobs:

Subscribers can receive each day's new job postings for openings that match their pre-set keywords. Those listings will be emailed to you stating the name of the recruiting firm, contact information, and all the data we have about each job.

Resume Email Forwarding History:

Subscribers can track their resume forwarding history to see when and to whom their resume has been emailed from our website. This service tracks resumes sent by: job searches using E-Resume, individual resumes sent to any of our advertisers, and updated resume distribution.

Resume View Notification:

Every time your resume is viewed, downloaded or printed by a contract staffing firm ... we immediately email you a notification. Included in the email is the name of the firm, the recruiter's name (if known), keywords that the recruiter used to find your resume, and contact information. Keep in mind that we must have your current email address on file in order for you to participate in this service. Here, too, you may opt out this service if you choose.

Mail Forwarding Service:

You can have a permanent (or forwarding) address to guarantee yourself of constantly receiving your mail. If you are interested in using this service, contact our office for details. Email staff@cjhunter.com or call (425) 806-5200. Please Note: you must be a user of our Mail Forwarding Service if you put our address on your resume for contact information. Cost: \$10/month, charged to your account at the beginning of the month. If no mail is forwarded, this charge is refunded to your account at the end of the month. As long as you have a mail forwarding account active, you will be charged for the service only if we actually forward your mail at least once during a calendar month.

Free Email Account:

If you are a *ContractJobHunter* or *Contract Employment Weekly* subscriber who uses email a lot ... this subscriber service will probably be of interest to you. This service is free, as long as you keep your subscription current. Restrictions: Any single document (either sent or received) cannot exceed 500K in size; the total amount of space allotted to any subscriber is 5 megabytes; you may select your own personal email address. We suggest using your name (Example: john.doe@members.cjhunter.com).

Discussion Forums:

Subscribers can leave messages and questions for other subscribers on this board. Discussed subjects have included: Insurance for contractors ... overtime on full rate ... job locations ... pre-employment drug testing ... and lots of contractors looking for old friends.
